

**How to Pick an Apple**  
Look for the apples with lots of color.

Use the palm of your hand to lift and turn the apples bottom to the sky.

If the apple comes off in your hand it is ready. If not it needs more time on the tree.

**Family FUN Activities**

- ① Kids Corral
- ② \*Farm Animals

Ⓐ Barn Market & Café & Beverages

~ Nature Trails      ..... Deer Fence

**Apple Picking** – all apples must be picked and placed into pre-purchased hurds bags, do not climb trees, do not shake trees and do not break or remove branches.

**Playing Safe on the Farm**

1. Kids Corral – max weight 40 lbs for coasters
2. Farm Animals – only our animal food, no apples keep hand flat
3. Bounce – no shoes, no flips, no throwing stones
4. Obstacle Course – give space to the person in front of you.
5. Fish Feeding – only our fish food, put cups in basket
6. Giant Slide – feet first, no more than 2 at a time
7. Duck Racing – be aware of uneven footing
8. Gem Mining – empty half bag of gems per wash at time
9. Corn Maze – stay on path, no picking corn (it is not edible)
10. Mini-Zipline – team member supervision required, follow instructions

**Pumpkin Picking** – all pumpkins must have a sticker. Make sure to pick size from patch location designated for your group.
